

**High School Redesign  
Student Profiles**

**School Name:** \_\_\_\_\_

*Directions:* Interview five students who are current freshman. See guidance for this work, “Creating Student Profiles.” Students should be a diverse group representing those who have struggled this year, who have done fine this year, and who have excelled in 9<sup>th</sup> grade. The goal is to collect varied perspectives.

**Student #1**

1. What was your best day of school this year and why?

2. What was your worst day of school this year and why?

3. Advice for an incoming 9<sup>th</sup> grader/what you wish you had known?

4. One thing the school could do to make coming to high school easier?

5. What’s the most interesting thing you worked on this year?

6. What's the least interesting thing you worked on this year?

**Student #2**

1. What was your best day of school this year and why?

2. What was your worst day of school this year and why?

3. Advice for an incoming 9<sup>th</sup> grader/what you wish you had known?

4. One thing the school could do to make coming to high school easier?

5. What's the most interesting thing you worked on this year?

6. What's the least interesting thing you worked on this year?

**Student #3**

1. What was your best day of school this year and why?

2. What was your worst day of school this year and why?

3. Advice for an incoming 9<sup>th</sup> grader/what you wish you had known?

4. One thing the school could do to make coming to high school easier?

5. What's the most interesting thing you worked on this year?

6. What's the least interesting thing you worked on this year?

**Student #4**

1. What was your best day of school this year and why?

2. What was your worst day of school this year and why?

3. Advice for an incoming 9<sup>th</sup> grader/what you wish you had known?

4. One thing the school could do to make coming to high school easier?

5. What's the most interesting thing you worked on this year?

6. What's the least interesting thing you worked on this year?

**Student #5**
