Problem of Practice Sharing Event

High School Design Innovation Sharing Event

April 18, 2019 ~ 9:00 - 10:00 am MT

Rolling Out Project-Based Learning Schoolwide

- How to best organize the adults?
- How to connect Project-Based Learning to career pathways?
- How do we ensure that standards are being taught with projects?
- What structures do we need as administrators?

- What staff conversations are necessary about the "look fors?"
- How do we make the projects rigorous for high school students?
- How do we capture the success stories?
- Ideas for a showcase?

- Onsite Daycare provide by PMS
- All students have at least one EWS warning marker
- 239 students (180 day school, rest online)

Guiding Questions

- How to best organize adults?
- How to connect PBL to career pathways?
- How do we ensure that standards are being taught with projects?
- What structures do we need to see as administrators?

Guiding Questions

- What conversations do we need to have with our staff about the "look fors?"
- How do we make projects rigorous for high school students?
- How do we capture success stories?
- Any ideas for a showcase?

Closing and Next Steps

Calling All High School Redesigners!

www.hsredesign.org

As part of the Cross State High School Redesign Collaborative, the Everyone Graduates Center is planning to host a series of **Virtual Problem of Practice Events**. These events are intended to support network design teams and encourage sharing expertise and learnings across the CSHSC network.

WE NEED YOUR WISDOM!

Each event only takes an hour!

- 20 minutes for the presenters
- 20 minutes for attendee responses
- 20 minutes for new learning & network news

Some key areas of interest include:

- How schools are using innovative schedules to change the day to day experience for staff and students?
- Building capacity for collaborative and adaptive team structures.
- Moving from punitive to restorative cultures.

WE WANT TO HEAR FROM YOU!

If you, or your team, have an exciting idea, practice, or innovation that you would be willing to share with the CSHSC network **OR** if you and your team have encountered a challenge you would like the network to help you think through we would love to hear from you!

If you are interested in participating or more information, please contact Linda Muskauskis at mlinda@jhu.edu or 410-516-5291.
