

Early Warning Systems: Developing and Monitoring Effective Systems and Interventions for Students At Risk of Dropping Out

Video Training Series
Video #1: Overview
Supplemental Materials

Strengths of your students	Challenges your students face

Video Discussion Guide

- What data or information was collected, analyzed and/or discussed that helped Omarina to succeed?
- Were there other resiliency skills that Omarina embodied that resulted in her academic success?

Video Discussion Guide

- What resources or actions did Omarina's school utilize to support her?
- What part of the system would have to be different to meet the challenges that students face in your school?

Video Discussion Guide

- What are some of the challenges that Omarina will face as she moves on to high school? What supports will she need to keep her on track?
- Omarina's brother is entering high school in a much different place than she is. What can help re-engage him once he gets there?
