Staff will work collaboratively to help students grow.

Students at the Center

Students will be an active part of their learning.

Teaching & Learning

Teachers will use data and research based strategies to meet students where they are and help them grow.

Postsecondary Pathways

Students will be college and career ready.

Graduation rate
82.6%

"If opportunity doesn't knock, build a door!"

CHS Student Quote

One idea that turned out better than we expected

Conducting one-on-ones with tested subject area teachers not only to just read lesson plans but talking to the teachers about what the week looks like and what supports do they need to carry out the plan, also what materials if any do they need.
